

Providing services to older adults so they will be able to remain in their homes as long as possible.

Eligibility Requirements

- Each individual is screened for service by a qualified assessor utilizing the state's Consumer Information Form. Clients receive a score which indicates the need for certain critical services.
- All services are classified as Level I (0-21) or Level II (22-and above).
- All Services require that the individual be 60 years and older OR disabled.

Yazoo County Human Resource Agency works under the umbrella of Central Mississippi Planning and Development District (CMPDD) which serves the population of those 60 years and older in Copiah, Hinds, Madison, Rankin, Simpson, Warren and Yazoo counties.

CMPDD works in partnership with the U. S. Department of Health and Human Services/Administration on Aging, and the Mississippi Department of Human Services/Division of Aging and Adult Services to provide services to older adults so they will be able to remain in their homes as long as possible, thereby avoiding early placement into a nursing home facility.

Yazoo County Human Resource Agency

Servicing Aging and Disabled of our Community. Established in 2005 under the direction of the Yazoo County Board of Supervisors.

Heather Grey

Outreach Worker

Outreach: A trained worker visits the home of older adults to assess the services needed by the individual. The Outreach worker will also handle referrals from the general public regarding individuals who need assistance but need help to navigate community resources.

Queen Street Lewis

Activities Coordinator

Congregate Meals: The purpose of this service is to provide individuals with social, rehabilitative, and support services. While participating in activities at the center, a hot meal is served in a congregate setting. The individual must be 60 years and older or the spouse of an eligible individual.

Homemaker Services: This service helps functionally impaired older persons with housekeeping, laundry, meal planning, marketing, preparation, and other types of home management tasks. Trained Homemakers assist individuals 60 years and older who have either functional, physical, or mental characteristics which prevent them from completing chores for themselves and who do not have an informal support network capable of assisting them with those needs.

Homemakers: Carolyn Lofton, Tracy King, Dianne Mills, and Dionne Johnson

Home Delivered Meals: Clients who are homebound and receive an assessment score of 22 or higher are eligible for home delivered meals. Meals are delivered in town on a weekly basis and clients living in the county, meals are delivered bi-weekly.

Casie Ivey

Administrative Assistant

Transportation: Trained drivers transport senior adults to various community resources for the purpose of obtaining needed services or goods. Trips may include doctors' offices, drugstores, senior centers, or other similar locations. Transportation hours are Monday thru Friday 8:00-3:30. Local Transportation requires a 24-hour notification. Trips to Jackson are every Monday and require a 48-hour request. Call for more details.

Drivers: Pamela Johnson, Leo Gainwell, Charles Stiff, and Chelsea Patterson
